# Air Freeze Enterprise

<https://www.indiamart.com/airfreeze-enterprise/>

We are engaged in manufacturing and supplying Air Conditioning Compressor Parts, Air Compressor Parts, Spare Parts and Industrial Spare Parts, etc.

## About Us

An attitude towards quality and performance that's what made **Air Freeze Enterprise** what it is today established in the year **1983**. Air Freeze is one of India's leading companies engaged in the production of the Refrigeration and Air conditioning / Air Compressor Spares.

We, Air Freeze are highly experienced manufacturers, traders, suppliers and exporters of Air Conditioning Compressor Parts and Air Compressor Parts. We optimally use high grade raw material and facilities at our premises to create products of high dimensional tolerance. Offered under the brand name "**afeparts**", these products are high in demand among the countries situated in Indian Subcontinent and Middle East. We stock high usage spares and can supply balance spares on short delivery basis. This helps us to cater to ever evolving needs of air conditioning & air compressor users.

Our hi-tech manufacturing facilities combined the proficiency in this domain enable us to design our products as per the specifications detailed by OEMs. Our wide distribution network and team of assiduous professionals help us to supply our products to clients within the promised time frame. This helps us to maintain our credibility and goodwill among our patrons. We export our products in **Middle East, North America** and **Indian Subcontinent**.

Under the aegis of far-sighted vision and expert guidance of our mentor **Mr....**
