We are a leading manufacturer, supplier and wholesaler of Leather Products. The products offered by us are known for their perfect finish, weather resistance, superior functionality and durability.

About Us

We, “**Aisha Leather Products**” established in the year 2009, are a prominent organization engaged in manufacturing, supplying and wholesaling **Leather Products**. Our firm is recognized as a sole proprietorship or individual organization, situated at Chennai (Tamil Nadu, India). Raw material used in the fabrication of these products is procured from some of the reputed market vendors. We are intended to offer international standard products at highly affordable prices to the customers. Our good financial position has enabled us to establish a state-of-the-art infrastructure, which helps us achieve pinnacle of success in the domain. We also have the support of our skilled technocrats and other employees, in offering a wide product line to the customers. We make use of advanced facilities and machines such as printing, stitching, binding and gluing, for fabricating fabulous products. A well developed R & D department also assists us coming up with improved and better products. Moreover, we also help our customers by offering easy payment modes such as **Cash and DD**. We also offer custom made products and make ensure their timely delivery to customers. We are mentored by our owner, '**Mr. Mohamed Abrar**'. His innovative & unconventional business approach and ability to take firm decisions have facilitated our growth in the domain.
