<https://www.indiamart.com/ak-chemidyes/>

We are manufacturer, exporter & supplier of dyes, chemical & auxiliary. We offer dyes for textile dyeing & textile printing and other industry our products are popular owing to their premium quality, durability and eco friendliness.

About Us

Established in the year 1991, A K Chemi – Dyes Enterprises is a professionally managed organization engaged in the manufacturing and supplying of dyes and pigments. that includes **Acid Dyes, Basic Dyes, Direct Dyes, Reactive Dyes, Solvent Dyes, Pigment Powder, Pigment Emulsions, Bronze Powder, Pearl Pigment, Titanium Dioxide & Textile Printing Dyes**. We are able to ship our consignments to a vast geographical area cross the globe in a prompt manner. Moreover, having branches at Bangalore, Solapur and Hyderabad has enabled us to have easy access to various parts of the country. Our efforts have gained us an established clientele across the globe and we primarily export our Products to Gulf & Asian countries.

Our colored inorganic pigments and allied products are high in demand in the domestic as well as international market due to their accurate composition, effectiveness and higher shelf life. Our Products are also popular owing to their premium quality, durability and Eco-friendliness. Our range of textile dyes, (wool, cotton, silk and jute) and colored inorganic pigments find application in various industries like :

- Ink and liqueurs
- Soap Coloration
- Paints and Distempers
- Papers
- Leather
- Plastics Master Batches
- Petroleum and Grease
- Carpets and related industries.

Under the able guidance of our owner, Mr....
