At **Akash Associates**, we adopt a structured and disciplined advisory approach and provide you portfolio solutions which meet your desired financial goals and milestones

About Us

At **Akash Associates**, we adopt a structured and disciplined advisory approach and provide you portfolio solutions which meet your desired financial goals and milestones.

At **Akash Associates**, we offer you a complete range of solutions that complement our advisory services. The range includes a combination of best of breed proprietary and non proprietary (third party) products. The approach is to recommend you product solutions within your overall asset allocation in an unbiased manner after evaluating all the options available in the market.

Work with us to develop a wealth creation and protection plan that provides you with the best chance to reach your financial goals according to your specific needs and comfort levels. Our estate planning, insurance, and wealth management expertise will put you in the best position to succeed while allowing you to maximize your time devoted to focusing on the pursuits that are most important to you.

We offer following specific solutions to our clients:-

- Investment Advisory Services MF
- Fixed Deposits
- Equity Shares
- Life and General Insurance
- Investing means - investing for growth with complete protection. We at "Akash Associates", believe that protection of your fund is a prime job and it needs to be addressed with lots of knowledge and proper planning. Hence we follow a four step process of...
