About Us

Ekatrra (Sanskrit) means "in one place". The name says it all! We never set out to be just another online store selling the mundane but a quality conscious platform to bring designers from all parts of the country together for the style craved consumer. It is meant to be the ultimate virtual destination to get authentic designer products in best value for the spend where value is a combination of brand, style, quality, affordability and craftsmanship. We aim to offer unparalleled consumer experience while you take delight in finding best buys in designer luxury. This is what drives our decisions every day and this is who we are. We continuously strive for excellence, sourcing key pieces and collections from the India's most iconic and exciting designers. We have created a benchmark for exclusive designer clothing and offer you only the best. With our products, there's no unwanted surprises. At best, we hope to marvel you with amazement for the value for money, utmost quality and authenticity of the designer labels. "WE ARE DIFFERENT: We have set out to make fashion democratic and affordable" While browsing through our designers, you may be surprised at our selection of many unconventional labels. Being true to our purpose, we have an affinity to discover the hidden talents that are exceptional at what they do and are deserving to being featured amongst the best. We are proud to say that often we are the first to put faith in the young talent and are...
