

AKD Polymers Private Limited

<https://www.indiamart.com/akdpolymers/>

AKD is an international trading house specialize in providing CPVC Resin and CPVC Compounds Extrusion and Mold, CPVC Additives & all type of PVC Additives Granules Masterbatches, EVA Additives & Machines for WPC & Foam.

About Us

We, at AKD specialize in providing WPC machines , CPVC machines, speciality chemicals and additives, along with Machinery, for PVC Profiles, Foam and Rigid Sheets with wood powder applications, PVC Pipe, PVC Cable, Master batches, Artificial Leather clothes, calendared sheets, EVA Products and PVC Profiles, and also recommend and arrange latest equipments for latest products. Foaming Agents for HDPE, LDPE, ACP, EVA Injection, P P Sheets CR Pressing, Press Foaming, PE Cross Linking.

- **Plastic Machinery** (WPC Board, Wood Plastic Profile, CPVC Machinery, PP Sheet, PET Strap, Foam Sheet, WPC Machine, PVC Plastic Pallet, PVC Crust Foam Board): We offer almost twenty-five different types, from chinas recomended manufacturers.
- **Lamination Machine** for Surface treatment from Qingdao Lamine Group, China, the Leader in lamination, as their representative in India.
- **Additives for PVC and Other Polymers:** Acrylic Impact Modifier, ACM Impact Modifier, MBS Impact Modifier, CPE, Acrylic Processing Aid, PVC foaming Regulator, ASA/PMMA. The Heli and Rike brand from Chinas largest manufacturer Shandong Rike Chemical Co. Ltd. We are the sole Agent for the company in India.
- **One Packs for Pipe:** POCL-3500 (36%), POCL-3300 (34%), POCL-2900 (30%), POCL-2500 (26%), POCL-2000 (21%) by Pondy Oxides and Chemicals Ltd. (POCL).
- **Lubricants:** (Internal & External)From Rike chemicals-Low and High viscosity...
