About Us

AKF International was established in the year 2012, is a leading Trader, Supplier and Exporter of Mens Shirt, T Shirts and Cashew Nuts. Our clients can obtain these products at extremely reasonable prices. We bring forth a quality assured assortment that is Quality assurance, competitive price, and customer satisfaction. We also have at our behest, a warehousing unit that is spacious to store our products in a safe condition and protect them against spoilage of food products. Our hi-tech processing machines empower us to meet the large orders of clients within the fixed schedule.

Blessed with an experienced team of professionals, we carry out our activities with a fast rate and high efficiency. Our quality driven methodologies and customer oriented policies, together with cost effective pricing, have augmented our prominence in this industry.
