<https://www.indiamart.com/akjindustries/>

With our rich industry experience, we are engaged in Manufacturing and Supplying wide assortment of Air Filtration Accessories, Rotary Air Lock, etc. The offered products are widely demanded for their rugged construction and easy installation.

About Us

Incepted in the year **2007**, in **Ghaziabad (Uttar Pradesh, India)**, we “**AKJ Industries**”, are the reckoned **Manufacturer** and **Supplier** of optimum grade **Air Filtration Accessories, Liquid Filtration Accessories, Dust Collector System, Centrifugal Blower, Rotary Air Lock** and **ID Fan**. These products are manufactured using supreme grade material with the help of contemporary machines in compliance with set industry norms. Moreover, these products are checked for their quality on series of quality parameters before being supplied to our clients. Our offered products are widely demanded for removing solid particulates such as dust, pollen, mould, bacteria and many more form air and water. We offer these products to our clients in different technical specifications as per their necessities. We offer these products to our clients in safe and temper proof packaging options to provide their safer delivery at user’s end. Our offered products are widely demanded for their sturdiness, anti-corrosiveness, reliability, easy installation, dimensional accuracy and durability.

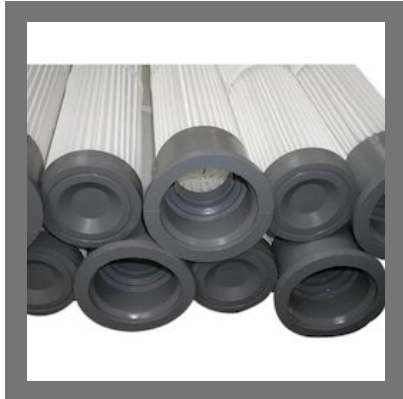

In order to manufacture these products with great precision, we have setup a wide infrastructure unit that is manned with modular machines and tools. This unit is segregated into different functional departments such as manufacturing, quality testing, warehousing, packaging, sales & marketing, research & development, etc. All these departments...
