About Us

Globally there is a rise in physical and mental ailments due to natural, genetic disorders and more particularly due to stress and high pollution levels .

Pollution does not merely end with air, water and sound. Pollution seeps into our daily life style. Day to day intake- be it vegetables, dairy products, meat etc.. brim with chemical invasion.

Mainstream treatments for even a minor ailments further fills the bodies with Chemical drugs. An increasing awareness of this helpless situation in resulting in a shift towards ancient, time tested drugless therapies.

Alternate therapies like Acupressure, Acupuncture, Foot Reflexology, Thai Yoga Therapy, Shiatsu have gained popularity once again.
