## About Us

Akshaya Diagnostics is one of the premiere diagnostic center located in Hyderabad. We were established in the year 2009 by our proprietor Dr. M. Srinivas Chandra. He is the MD, DMRD and Radiologist. His sharp in-depth knowledge in this domain helped us to grow leaps and bounds in this industry. We are here to provide the health screening to detect diseases which do not give early warning signals. We offer complete range of specialized diagnostic services under one roof. We are empaneled by a team of doctors, super specialists, consultants and diabetic specialists who have pursued their specializations from various top universities. Our diagnostic center is well equipped with wide range of latest equipments and facilities which are known for cutting edge technologies to diagnose any type of disease accurately. Latest 16 Channel, 1.5 Tesla MRI, 16 Slice MDCT, 3D/4D U/S Scanning, Digital Mammography, Digital X-Ray, Digital OPG, All Lab Investigations, TMT, PFT, EEG, etc., are some of the facilities in our lab. We are committed to provide quality, integrity, patient care, innovation, accountability and ethical practices. Our main focus is to provide quality patient care with best of the technology and professional competence. We provide special packages like Master Health Check Up which include 26 number of tests, Women Well Being Package, Infertility Profile, Cardiac Profile, etc. If you are looking for a good diagnostic center to diagnose the problem then walk into our door. We...
