Trader of networking rack.

About Us

There are different sizes of wall mount (4u-15u) and floor mount (18u-47) with all the accessories. One of the biggest advantage to our client is that there is always availability of rack according to their requirement which may differ into width and length. We have got resellers and dealers in East and North East. Antec, the Leading manufacturer of Chasis and SMPS world wide and has been awarded many times worldwide for its quality and is recommended and Tested by INTEL and AMD is being distributed by AlfaTech in the Region. Antec has come up with the whole new series of range of Chasis comprising Lifestyle and gaming series, Thermally Advanced Server series, and Solution series to cater almost every consumer segment. Antec, being a niche product, enjoy a good customer base among the gamers, digital studios editing labs etc.
