## About Us

Established in the year **2012**, we, “**AL-Falah Agro**”, are a prominent **Trader, Supplier and Exporter** of **Fruits, Vegetables and Dry Fruits**. Products offered under this range are **Guava Pulp, Pineapple Pulp, Strawberry Pulp, Alphonso Mango Pulp, Totapuri Mango Pulp, Fresh Grapes and Fresh Guava**. Also, we offer **Fresh Mango, Fresh Orange, Fresh Papaya, Fresh Pomegranate, Fresh Sapota, Fresh Lemon, Garlic and Red Onion**, among others. Our products are grown using premium grade seeds at reliable agro vendors' premises. This range is highly acknowledged in the market for its non-adulteration, freshness, high nutritional content, purity, rich aroma and excellent medicinal properties. Vendors we deal with make sure to utilize modern machines and latest technology while processing as well as packing the offered assortment so as to ensure its compliance with the food industry norms. Owing to the quality based approach, we are able to acquire certifications from reckoned names such as APEDA, KAPPEC, Spice Board of India and Coconut Development Board.

We have constructed a spacious and commodious warehousing department, which helps us in storing the sourced range in an effective manner. The facility is handled by hard working experts who make sure to keep the procured food products fresh and free from all contaminants. These warehousing experts ensure to arrange and label the products systematically, in order to ease the...
