About Us

Al-Irfan School (Residential and Day-Boarding) is minority Institution established in 1998 by the most dedicated leadership of Al-Hira Society Aurangabad. It has got the CBSE affiliation in 2001. The school has both English medium and semi English medium classes. 13 batches of SSC passed out from the school with good track record of 100% result.. Vision We see ourselves as a desired provider of schooling in the community which would enable young generation to be an obedient servant of God and a well-wisher of the humanity.. Aims & Objectives The institution aims to provide value based education with a vision to enable young generation to be a servant of GOD, a well wisher of humanity along with their character building and personality development. Our mission is to impart most modern and concept oriented education to produce best citizens with strong moral base. The institution strives to promote quality education, cultivate creativity and artistic awareness and develop great sporting values. Curriculum Education is imparted as per the syllabus of Central Board of Secondary Education, New Delhi in English and Urdu Medium. A great emphasis is also given to Islamic Studies along with overall personality development as per the planned syllabus. Apart from compulsory subjects, we offer rigorous training in Arts, Physical Education and Computer Training.
