# Alleivate Pharmaceuticals Private Limited

<https://www.indiamart.com/alleivatepharmaceuticals/>

We are counted as foremost manufacturer, trader of products like **Pharmaceutical Tablets, Capsules & Soft Gel, Injections, Syrup / Dry Syrup, Ointment And Gel, Protein Powders, Dental products & Ayurvedic products.**

## About Us

Established in the year **2015** at **Chandigarh (India)**, we, “**Alleviate Pharmaceuticals Pvt. Ltd.**” have established a distinguished position in the market as the leading **Trader and Supplier** of precisely formulated products like **Pharmaceutical Tablets, Pharmaceutical Capsules, Pharmaceutical Injections, Pharmaceutical Syrups, Pharmaceutical Dry Syrups, Herbal & Ayurvedic Products and Protein Powder**. With years of experience in this domain, we have come with a huge gamut of optimum quality products. We assure our customers that the entire range is procured from reliable sources of the market that make use of appropriate chemicals and high end formulation techniques to formulate them in their ultra modern labs. Processed in fulfillment with the set Indian Medical Association norms and guidelines, these Pharmaceutical Tablets, Pharmaceutical Capsules, Pharmaceutical Injections, Pharmaceutical Syrups, Pharmaceutical Dry Syrups, Herbal & Ayurvedic Products and Protein Powder are known for their quick results, high effectiveness, accurate composition and enhanced shelf life.

When it comes to procurement of the offered pharmaceutical products, we take extra care and always remain conscious about selecting our vendors. Our experienced procurement agents conduct a survey of the facilities encompassed by the company. The quality controllers of our team continuously assist the organization to deliver only quality oriented...
