Manufacturer of yarns and cotton blends.

About Us

Alliance Technocrats Pvt. Ltd. a company professionally managed by innovative, qualified & experienced people, is a fast growing Exim and International Marketing / Sourcing company in Textiles & Allied Products. We serve as sourcing agency on behalf of our overseas customers from State-of-the-art Indian Textiles manufacturing companies. Each manufacturing company which we select to work with our overseas customers is screened & chosen by us on the basis of Plant & Machineries / Technologies / Technical up-gradation / Selection of Raw Materials / Lab equipments / Quality System / Certifications / Consistency in Quality / Skillness of Workforce / Competitive Prices & over all commitments. We work in tandem with our manufacturers in product development / setting up processing techniques / selecting raw materials / Logistics & documentation to avoid any difficulty at customers end and to meet the requisite products.
