## About Us

Established in the year 2005, we, "Allied Packaging Technologies", are a renowned trader and supplier of a wide range of Pharmaceutical Packaging Machinery and PET Bottles & Caps. These products are widely demanded in the domestic market due to their features such as efficiency, consistent performance and durability. Owing to our ethical business practices and wide availability of products, we have mustered a huge client base all across the nation. Our organization is backed by a dexterous team of professionals, which has a wide experience in this domain. These professionals work in close co-ordination with each other so that the organization attains heights of success. We have developed a capacious warehouse to ensure that the products are kept in a safe and well ventilated environment. Our warehouse has been designed in such a way that a bulk quantity of our machines and other products can be stored. Under the able guidance of our mentor, 'Mr. Amol Joshi', we have been able to reach the heights of success and develop perfect market understanding. His valued experience in this domain and strong relationship with the trustworthy vendors has enabled us to attain unsurpassed domain success.
