Allied Safety Equipments Private Limited

<https://www.indiamart.com/alliedsafetyequipments/>

We are a prominent retailer, importer and distributor of Adventure Sports, Rope Access, Rescue, Fall Protection, Material Handling equipment like Helmets, Fall Arrester and Rope Clamps.

About Us

Established in the year 2007, we, '**Allied Safety Equipments Private Limited**', are a reputed enterprise, involved in retailing, importing and distributing a range of **Adventure Sports & Rope Access Equipment** like **Harness, Helmets, Lanyards & Energy Absorbers, Fall Arrester** and **Connectors**. In addition to these, we offer **Descenders, Rope Clamps, Pulleys, Anchors, Ropes** and **Transport Packs**. These are developed using best quality raw material with employing latest machines at the premises of our associated vendors. We offer all the products of **PETZL** brand, which has good reputation in the market for its quality. The Harness and Lanyards & Energy Absorbers we offer are acknowledged for their excellent elasticity and durability. Owing to lightweight and providing maximum safety to the user, our Helmets are widely used in climbing, mountaineering, caving, via ferrata and canyoning. Moreover, all our Fall Arresters, Connectors, Descenders, Rope Clamps, Pulleys and Anchors are demanded in the market for their rugged construction and excellent load bearing strength. The Transport Packs we offer are used for carrying essential things while doing adventures things and rescue operations. Further, we make use of rope access techniques to provide remarkable work solutions to the clients. Our enterprise is dedicatedly engaged in rendering Training Services for Industrial Application and Sports Training...
