About Us

A million results are useless, unless you find the one that makes your search worthwhile. Whether you're looking for people or company, we can find you the One.

All India Placement Service recognize that every client is important and hence, deserves the very best service possible. We are very professional in our approach

We create a platform for both hiring companies and job seekers for the fulfillment of their requirements efficiently.

AIPS delivers services that empower clients, candidates and associates to secure success in the changing environment. We are proficient in handling all career and job related queries.

Consequently, we ensure the best solutions to the aspirants that will help them in fulfilling their goals.

ALL INDIA PLACEMENT has established and currently maintains a network throughout India.
