About Us

Incepted in the year **2005**, **Alm Dura Build** has been into the business from more than a decade. Being a **Partnership** entity, our organization is engaged in executing its entire business activities from **Chennai, Tamil Nadu (India)** since its establishment in the year **2005**. We are the prominent **service provider** for various types of construction services such as **Building Construction Service, Commercial Renovation Service, Civil Construction Service** and many more. We are also **manufacturer** and **supplier** of **Lightweight Blocks**. Our quality integrated range is the output of the combination of the hard work of our hard-working manpower and the contemporary techniques that we own as our pride. We accept payments via cash cheques and demand drafts. We believe that our customers are our most valuable asset and we make sure that they receive what they deserve and that is the best. During our tenure of 10 years in the industry, it has made us to further improve and provide the finest. We have successfully achieved our customer's happiness and strength from our services. Under the vigilance of **Mr. M. Azhagappan (Manager)** the company is achieving new milestones year by year. He has a very flexible personality and easily handles the entire unexpected and uncomfortable situations that occur in the company. He always keeps himself engaged along with the company employees during the entire...
