## About Us

Tarun K. Khona - Independent Distributor FBO of Forever Living Products.

For over 43 years, Forever Living Products company has dedicated it self to seeking out natures best sources for health, beauty & sharing them with the world. Founded in 1978, Our Compay rewrote the book on how to put nature sources of health to work for you. Our complete family of aloe vera drinks, skin care, personal care, weight management products & cosmetics brings the remarkable properties of aloe to the entire body. Add to our full line of nutritional supplements & products from the bee hive and you have a complete system for naturally achieving better health & beauty. Growth and harvesting : Aloe is the source of our health. The source of our phenomenal products. The source of our business. We takes great care in making sure provide you with the very best aloe on the planet. That's why we own it's plantations. Our Company owns aloe plantations in northern Mexico and southern taxes in the Rio grand velly. But our main source of aloe comes from our 5,000-acre plantation in the Dominican republic-the largest in the world. Instead of relying on pesticides, we use goats and sheep to naturally control weeds and provide 100% natural fertilizer to grow a superb crop without compromising the health of the aloe or the environment. We employ local farmers and provide excellent working condition. The steady and pay are often the envy of other towns. Our...
