

Alpha Mech, Nashik

<https://www.indiamart.com/alphamech/>

Alpha Mech is a leading **Manufacturing, Trading, and Exporting** of **Industrial Reactors, Plants** and **Modular Machines**. We deal in market leading machinery that is simply matchless.

About Us

Alph Mech is a reputed Indian **Manufacturer, Trader, and Exporter** of **Industrial Reactors, Plants** and **Modular Machines** centrally situated in the **Satpur** Industrial area of **Nasik, Maharashtra**. The area is close to **Mumbai** and is marked by the presence of manufacturing giants like **Mahindra & Mahindra, Glenmark, ABB, VIP, Crompton, and MICO** and therefore offers great infrastructure. This area has excellent connectivity as it is undergoing a significant growth with industries like wineries, IT and ITES showing remarkable possibilities. **Alpha Mech** also has a presence in **Mumbai** to guarantee personal commitment in testing and procurement of raw materials as well as to drive the sales initiatives. We also have our expert representatives in the north and south India to provide our clients with professional solutions. Since our humble beginning in **1979** we have traversed a long way to reach this respectable position in the market today. We have won accolades from our clients all over for delivering top-notch equipment that conforms to international standards.
