About Us

Incepted in the year **2014**, **Alpha Traders** is a principal trader and supplier of **Ceiling Perimeter, Galvanized POP Bottom, Ceiling Intermediate Section, Galvanized POP Patti, Galvanized Angle, Ceiling Section Channel, Gypsum Board and Gypsum Powder**. The offered range of products is designed and developed using supreme-quality material which is acquired from certified suppliers of the industry at our vendor's end. These are made-up using the modern technology in complete tandem with worldwide quality norms & guidelines. These are broadly applauded and praised for their durability and optimum performance. Our dedicated hard work and the trained crew of personnel empower us to deliver supreme-quality products to our respected patrons. The complete assortment of products is subjected to stern quality test on numerous restrictions, so that we can deliver the faultless range to the patrons. The basic input which is utilized to develop these goods is purchased only from the reliable vendors of the industry. After the obtaining, the raw material tests on different quality restrictions, before being sent to production units. Our extensive industry understanding aids us in supplying to all precise necessities of our patrons. Under the profound direction of our mentor **Mr. Sirajulhuque Khan**, our company has developed a position for our products in this field. His dedication, aesthetic business sense, positive approach and...
