## About Us

"**Altec Hardware**" has established itself in the year **2012** as the leading **Manufacturer** and **Supplier** of a wide assortment of **Curtain Bracket, Door Knob, Metal Hook, Door Stopper, Chest Handle, Sofa Leg** and many more. These products are designed and manufactured by our adroit professionals using premium grade raw material and ultra modern technology in sync with the global quality standards. Prior to their dispatch, all these products are checked by our quality inspectors on well-defined parameters that are set by the firm. Offered products are broadly utilized in a wide number of commercial and residential sectors. High durability, superb strength, simple installation and strong design are some significant features that make these products extensively demanded in the market. Apart from this, clients can purchase these high quality chemicals from us at nominal prices. We are offering all our products under the brand name **Altec**.

Located at **Rajkot (Gujarat, India)**, we have set-up a hi-tech infrastructural facility that covers a wide area and outfitted with all the required machines and contemporary technology. All latest machines installed in our production unit boosts the productivity, therefore we are able to meet bulk orders of our respected clients in the best possible manner. Also, we also have categorized this infrastructure unit into numerous sub-units like production lab, procurement section, quality testing lab,...
