Altex Electric Co.

https://www.indiamart.com/altexelectric/

A professional entity, we are engaged in the manufacturing and marketing of Automatic Voltage Regulator (AVR), Battery Chargers, Various Panels, Service, Repairs & Supply spare parts for all makes of A.C. Generators.
About Us

Setup as a registered society in the year 1997, ‘Altex Electric Co’ is a renowned name in the industry for the manufacturing and supplying of a comprehensive assortment of Voltage Control Units (AVRs), AVR Panels, Static Excitation Panels, AMF Panels and Battery Chargers that find application in the electrical industry. Our entire range stands in adherence to the latest technology and is suitable for various makes and various ratings of A.C. Generators both LT & HT.

Our organization is operated under the visionary mentorship of Mr. Vittal Prabhu who manages our highly experienced and qualified engineers for the efficient and streamlined production of our range. His ardent efforts to incorporated top-notch quality in our range are turned fruitful.

We have acquired our respectable position in the market by reaping our association with one of the best rewinding shops in India, which is equipped with all in-house facilities, for handling, winding, testing, balancing and baking of our range. The world class quality that is imbibed in our range is because of raw material we utilize. Our raw material is sourced from reputed organizations with international repute that has established credibility in our name.
