

Aman Fab

<https://www.indiamart.com/amanfab/>

We are one of the leading **Manufacturer, Supplier and Wholesaler** of an assortment of superior quality **Fabric Materials**.

About Us

Established in **Mumbai**, we, **Aman Fabrics**, are known as the leading **Manufacturers, Suppliers, Traders** and **Wholesalers** of premium quality **Fabric Materials**. We manufacture a wide range of fabrics such as **Blended Fabrics, Striped Fabrics, Viscose Fabrics, Uniform Fabrics, Dyed Fabrics, Remi Fabrics, Rayon Fabrics and Cotton Fabric**. These are available to clients at leading market prices within the specified time-period. Manufactured at our ultramodern infrastructure facility, these fabrics are known for their compliance with industrial standards of quality. These are available to clients in a wide range of colors and specifications, which can be customized as per the desires of the clients. These are manufactured using raw materials that are procured from leading vendors of the market. These are used to manufacture premium quality clothing items for men and women. Our fabrics are known for their desirable attributes such as skin-friendly and smooth texture, durability and tear-resistance. These are highly demanded by several clothing industries and manufacturing units.

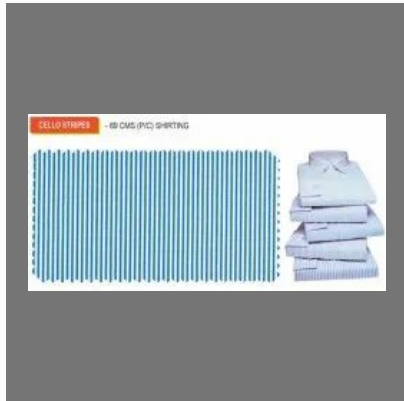

Our state-of-the-art infrastructure facility helps us engage in the manufacture of premium quality fabric materials through the use of advanced technology and equipments. Bulk quantities of these products can be manufactured by our high-capacity machines that function at their optimum efficiency levels. Through our efficient business...
