Our organization is a leading manufacturer, supplier, exporter and trader of curtain hanging, wooden handicraft, handmade paper notebook and many more.

## About Us

**Amar Enterprises** commenced its operations in the **year 1989**. Over the years we have developed the best quality products and are able to earn respectable position in the market. We are very methodological in our approach and to counter this we have a well laid out production plan, which helps us to be in the league of major players involved in **manufacturing, supplying, exporting and trading** of curtain hanging, wooden painted item, handmade paper notebook, wooden handicraft, white metal jewellery box, soap stone artware and many more. With the growing urbanization and tilt towards the fashion conscious crowd, our products are well positioned and are very popular with the customers. All these items are quality tested to ensure they not only meet the demands of customers but also help in ensuring them with a delightful experience. When it comes down to quality, we are very particular about the quality products supplied in the industry. Our teams of quality controllers work hard and ensure that we produce flawless range of products. We have well-devised quality parameters that ensure that we produce products that are at par with the global standards. The raw materials used in the production are monitored in terms of quality and we make sure that we procure them from set of classified vendors who are well above the industry norms. Our experienced professionals, who hold vast knowledge of respective domain, develop our entire product range...
