Amar Impex

<https://www.indiamart.com/amarimpex-mumbai/>

Exporter of dyes, chemicals, dyes intermediates, optical brightener, textile auxiliaries and enzymes.

About Us

We take pleasure in introducing ourselves as a leading exporter of dye intermediates, optical brighteners, pigments, pharmaceutical intermediates & speciality chemicals for the past decade & a half. Initially we started out business by venturing in to importing and indenting of chemicals & dye intermediates catering mainly to the domestic dye manufacturing industry in India. Having built a strong marketing base in the domestic market, we further ventured in to the international market scenario for supply of dyes, pigments & pharmaceutical intermediates. We have come a long way since then and are now a government recognized export house dealing in a range of dyes, chemicals, pigments & intermediates. Over the years we have developed a strong customer base in the Far Eastern, American and European & Australian markets. We have a team of highly quaified technicians as well as a fully equipped laboratory to maintain the utmost quality control of all our products. It shall be our pleasure & previlege to cater to your specific needs for sourcing & procuring raw material & finish goods through us from India.
