# Amar Pharmaceuticals

<https://www.indiamart.com/amarpharmaceuticals/>

**Amar Pharmaceuticals** is one of the leading **manufacturers, exporters and suppliers** of medicines for **Arthritis, Cholesterol and Constipation**. We offer these products at most reasonable rates.

## About Us

Incepted in the year **1983**, **Amar Pharmaceuticals** is the leading organization highly engrossed in **manufacturing, exporting and supplying** a wide collection of **Pharmaceutical products**. This offered collection consists of medicine for **Arthritis, Cholesterol, Constipation, Cough, Dental Care, Diabetes, Digestive Support, Female Health, Health Supplement, Kidney Care, Liver Support, Male Health, Memory, Piles, Skin Care, Sleeping Aid, Personal Care Products** and many more. Our offered product processed under the direction of skilled pharmacist using quality approved ingredients and chemical compounds in faithfulness with industrial set quality standards and norms. To avoid any kind of deficiencies, we stringently checked by our quality team on pre-defined parameters. We guarantee to provide these products in finest quality packaging to avoid leaking and moisture. Moreover, our esteemed customers can attain these products from us at market leading prices.

Our team of pharmacists is well-informed and make sure that the products are processed as per the permitted formulations. We are having a team of packaging staff, R & D personnel and other subsidiary staffs who ensure that their hard work contribute to the proficient performance of a company. We own a large infrastructural facility, where products are stored in proper manner. We pay attention of the hygiene factor of the products and guarantee that the products are packed hygienically....
