About Us

Amartex is fully integrated manufacturing company with a balance manufacturing and marketing. All products rolling out of our premises find their way to every nook & corner in the region through company owned retail outlets. The weaving unit, the dyeing section, the drying area wherever you look quality makes its presence felt. Strict adherence to International quality standards is followed religiously at our manufacturing units. Amartex was brought under existence in 1988, by Grover family, a team of competent promoters with more than two decades of experience in manufacturing and marketing of textile products. The management of the Company comprises of an appropriate mix of qualified and competent (Directors and Managerial Staff. The Company has flourished under the able and dynamic guidance of Mr. Arun Grover, Managing Director.

The Company has grown to be one of the best competitive companies in the apparel and textile sector with a large employee and an impressive client base. The Company has complete in-house facilities such as Dyeing Units, processing Units, Garment Units, Design Studio and even its own Retail Outlets. This ensures cost effective products and a ready cash flow for the Company. Professional staff and optimum use of technologies enable us to provide high quality at competitive prices to the consumers, a state-of-the-art research and development center ensures quality in all products that roll out to the end users. In fact, it would be...
