About Us

Today, the A-Mask. Inc Group is present in fashion related countries around the world. Its core business is **Fashion Leather Footwear, Apparel & Accessories** with some of woolen apparel on demand, a group with a strong Italian supporter & designers whose style, quality and passion are clearly seen in our products. Its network offers high quality customer services and generates a total turnover of over 20 million euro. The Group's commercial presence is guided by a flexible approach, applying market strategies through two different distribution channels, exports which represents around 66% of aggregate footwear & apparel sales represents around 34%. A-Mask. Inc Group looks ahead with the young eyes of the future. Its story is built on innovation and seeing where others fail to see. Always at the cutting edge - with colour, with its exports & domestic sales revolution, with an absolutely unique production and commercial network and with a universal form of communication, creating both a phenomenon and cultural debate, A-Mask. Inc was global before globalization, but in its own way. Since the start, A-Mask. Inc saw fashion as a global village where young people of every race live. It travels at the speed, overcoming geographical, political and ideological boundaries. A-Mask. Inc is a responsible & aggressive group, receptive to the present time and attentive to the environment, to human dignity and to the transformation of society. It...
