

Amazing Security System

<https://www.indiamart.com/amazing-security-system/>

We are a trusted supplier, distributor, trader & service provider of a wide range of micro-controller based security & surveillance systems. These are demanded by various offices & institutions across Indian Subcontinent.

About Us

Established in the year 2009, we, **Amazing Security System**, are one of the trusted suppliers, distributors, traders and service providers of a wide range of world class **micro-controllers based security panels, automation and IP systems, video door phones and various accessories**. The products are appreciated for their effectiveness and quality by our clients across the Indian Subcontinent.

We have set up business associations with some of the leading manufacturers and suppliers in the industry, that help in offering unmatched quality products to the clients. Our quality controllers conduct stringent quality checks of each & every product and ensure that it is procured only from certified vendor of the market. Through our client-centric approach and transparency in business operations, we have acquired a rich clientele across the Indian Subcontinent. Our organization is led by our mentor, Mr. Shalendra Singh, who has industry experience of many years and possesses thorough knowledge of this domain. With his rich business acumen and constant encouragement, we have earned an indisputable repute in the the market.
