

Amber Tools & Accessories

<https://www.indiamart.com/ambertoolsaccessories/>

Our team of experts, with their vast experience and expertise, is able to identify the needs and requirements of our clients and manufacture products according to their specifications in compliance with the industry standards of quality.

About Us

Incepted in the year **2010**, at **Noida, (Uttarpradeh, India)**, we, “**Amber Tools & Accessories**” are one of the renowned **Trader** and **supplier** of various industrial tools such as **CNC Milling Cutters**, **Board Cutter**, **Aluminium Cutter** and **Steel Cutters**. These products provide optimum efficiency to the industrial and automation operations of our clients, thus, enhancing their performance and product reliability. With our advanced manufacturing facility which is equipped with the latest technology and machines, we provide our clients a range of industrial products which are widely appreciated for their durability and low maintenance. Our team of experts, with their vast experience and expertise, is able to identify the needs and requirements of our clients and manufacture products according to their specifications in compliance with the industry standards of quality. Our mentor, **Mr. Manoj Kumar Gupta**, has been a constant motivating force for our team and has urged us to achieve higher benchmarks of quality and satisfy our clients by further broaden our range of products. Thus, we have successfully carved a niche for ourselves in our domain and become a reputed name among our clients.
