## About Us

ARCTECH is one of the oldest architecture company, obsessed to deliver world class building designs for your space. We are putting our best team to fulfill your dream project of home and offices. Archtech is a running on since 30 years old Aligarh. We then consult the client to develop a list of deliverables while simultaneously developing the number of man-hours required for completing the given task. Once both parties concur on the same we enter into a Service Agreement. A common set of technical and graphic parameters is established and a schedule is drawn up for time bound and periodic delivery of drawings, as per the clients requirements. **Our professional management**

### What is design?

The literal definition of the word is "the art or action of conceiving of and producing a plan or drawing of something before it is made".
