About Us

Being a foremost organization in the industry, we **Ambica Security & Services,** from **2014** are actively engaged in service providing of an extensive array of Security Guard Services. Our offered range has Security Guard Services, Bank Security Service, and Home Security Service. These services are rendered with the set market norms. Together with this, our services are appreciated for their features like high flexibility, low price, and client-centric approach.

Our services are admired by the patrons and gave high satisfaction to the customer as a result of which we are getting repeat orders from the market. We are the client centric organization and work to please them with our security guard services. Apart from this, the offered range of security guard services is rendered by a crew of experienced professionals, carefully.

Our mentor **Mr. A.K Tiwari** has guided us to be able to reach such heights. He is very creative and introduces our employees with innovative ideas for the different operation of the company.
