We "**Ambit Electrical Private Limited**" are engaged in **manufacturing** a wide range of **Cables And Wires, Solar Products, LED Bulb, LED Panel Light, LED Lantern, etc.**

About Us

Incorporated in the year **2005** at **Delhi (India)**, We "**Ambit Electrical Private Limited**" are engaged in **manufacturing** a wide range of **Cables And Wires, Solar Products, LED Bulb, LED Panel Light, LED Lantern, etc.** We also provide **Home Solar System Design Service**. We are an **ISO 9001:2008** company with accreditation/certification authorities like MNRE, IEC Mark etc. and engaged in offering clean energy generation systems powered by the sun for every interested in low-cost, renewable energy and energy saving devices which saves energy for home and commercial. We help business and organizations adopt solar power as viable cost-saving solution.

We are having our presence in North-India and has a network of over 400 distributors spread over the length and breadth of the country. We also work with utilities to meet their renewable energy portfolio standard requirements through strategic partnerships with solar photovoltaic (PV) module manufacturers and experienced installation companies. Under the leadership of "**Mr. Rahat Gupta**" (**Director**), we are continuously progressing in this domain.
