## About Us

**Ambition Export** has a unique set up in the handicraft industry with in-house, vertically integrated facilities for processing metal, wood and glass. We have pleasure to introduce ourselves as a direct manufacturer and exporter of all kinds of Brass, Aluminium, Iron, Wood, Glass, Art wares, Steel, Home furnishing and other Indian Handicrafts. We have complete Infrastructure ranging from process A to Z within the same campus. Our product range almost covers all categories like tableware, kitchenware, candles, garden accessories, Christmas decorations and other house ware items etc. These products are manufactured using premium grade raw material and spare parts at our premises. Owing to their intrusive attributes like fine polish, alluring color combinations, flawless finish, enticing looks and exquisite designs, these products are widely demanded by the clients. We need to explore our full capacity and consolidate our performance in such a way that leads a fruitful deal between our Customer and Ambition Export. However, our main Interest lies in materializing your abstract ideas, drawings & sketches in accordance with your specifications. Reliability and transparency are the core values of the company that assist in maintaining a long lasting relationship with clients. We always strive to provide Quality and Affordable prices within stipulated time frame... We may request you to give us a trial no matter how small it is and you would surely find us better-off in many...
