## About Us

**AMC Enterprises** - a unit of Electro Tools, having our head Quarters in Delhi is spearheading the network video security market. Established in the year 2003, the company is the premier provider of Security System & Surveillance products and services for homes, businesses, construction companies, institutions, utilities etc, in Delhi & other Indian states. Targeted to meet the security systems & surveillance needs of individuals and companies alike, AMC Enterprises has grown to be a leading supplier of security systems in Delhi. For the prestigious customers looking for CCTV, CCTV CAMERAS, DVR, ACCESS CONTROL, TIME & ATTENDANCE, HOME SECURITY, ALARMS, BURGLAR ALARMS, FIRE ALARMS, SMOKE DETECTORS, VIDEO PHONES in both commercial and residential sectors.

We provide a full range of superior Surveillance products at exceptionally reasonable price, with sound technical support, and with exclusive money back terms. Our commitment is to high-quality and reliability and we also help you in recommending the best surveillance equipment after analyzing your security and safety requirements. It does not matter if you own a small stall in a mall, running a restaurant or a convenience store; or a professional office, the value of having a video security system and monitoring key places in your business property is significant. Our CCTV cameras are suitable for offices, schools, retail stores, hotels, restaurants, parking spaces, government...
