

# American Institute of Distance Learning

<https://www.indiamart.com/american-institute-of-distance-learning/>

The American Institute is committed to education. The mission is to educate, train and certify people to become the best they can be!

AIDL is an extension of Affiliated American Universities in India for certificate/Degree Programs.

## About Us

The American Institute is committed to education. The mission is to educate, train and certify people to become the best they can be!

AIDL is an extension of Affiliated American Universities in India for certificate/Degree Programs.

AIDL is an extension of American Trainco USA in India for Industrial, Facility and Building Maintenance Training.

Our organization has trained hundreds of professionals around the world. We have designed custom programs and courses for both technical and business applications.

We welcome you to our accredited degree programs, standard and custom training programs along with internships, and outplacements/jobs.

We accomplish our vision and mission by building relationships with corporations and communities around the world.
