Asia Machine And Instrument company was incorporated in December 1985 under the brand name AMICO as a proprietor ship firm by Ravinder Jit Singh Wadhwa with a commitment of manufacturing trouble free Transmission line stringing equipment.

About Us

Asia Machine And Instrument company was incorporated in December 1988 under the brand name AMICO as a proprietor ship firm by Ravinder Jit Singh Wadhwa with a commitment of manufacturing trouble free Transmission line maintenance/stringing equipment. The company specializes in manufacturing of specialized Hydraulic Machines mainly for the transmission line construction industry. Its popular Ame series which consists of both motorized and manually operated Hydraulic compressors ranging from 50 - 150 ton has been one of the most sucessfull product. And now it has introduces the EXP series which is product of the international standards being the most versatile & state of the art machine ever built on indian soil. Under the valuable supervision of our mentor **Mr. Ranjeet Singh (Marketing Manager)**, we have achieved a reputed place in the market.
