We are a recognized firm engaged in manufacturing, supplying and exporting a wide assortment of phenolic molding compounds, dough/bulk moulding compound and phenolic resins.
About Us

Established in the year 1997, “Amity Thermosets Private Limited”, is a fast growing organization, engaged in manufacturing, supplying and exporting a wide assortment of Phenolic Moulding Compounds and Phenolic Resins. The founding stones of our organization were laid with a mission to build a global business enterprise on the key fundamentals of quality, service, reliance and amity. Therefore, we manufacture our products under scrutiny of a vigilant production process that enables us to attain highest standards of quality. The continual process of innovation has always been our top priority and this has helped us in fulfilling the exact requirements and specifications of our patrons. Our products are widely acclaimed for their expansive mechanical and chemical properties such as good electrical insulation, heat stability, mold ability and low water absorption. Therefore, these products that we offer find variegated use in domestic appliance handles, textile machine accessories, electrical accessories, automotive parts, to name a few.

We are capitalizing on an immaculate infrastructure facility, which aids us in a smooth execution of production, testing and supply phenomenon. Equipped with modernized plant and machinery, this facility enables us to process finest grade of powder and products in bulk. We are supported by an experienced team of experts, which holds vast in-depth knowledge in this domain. Our team works in close...

PHENOLIC MOULDING COMPOUNDS

Phenolic Moulding Powder

Phenol Formaldehyde Molding Powder

Phenolic Moulding Compound
- Black

Dough Moulding Compound
PHENOLIC RESINS

Phenolic Resins

Flame Retardant Phenol Formaldehyde Resins

Phenolic Foam Resins

Straight Phenolic Resin For Felt
PHENOLIC MOULDING COMPOUND FOR AUTOMOTIVE

- Phenol Formaldehyde for Automobile Light
- Moulding Compounds for Automotive Engine Parts
- Moulding Compounds for Automotive Parts
- Moulding Compounds for Automotive Parts
PHENOLIC MOULDING COMPOUND FOR COMMUTATORS

Moulding Compounds for Electric Motor Commutators

Commutators

Cookware Handle

Resin Coated Sand
PHENOLIC MOULDING COMPOUND ELECTRICAL

Our Products

- Phenol Formaldehyde for Circuit Breaking Switches
- Sensors
- Thermal Insulation
- Electric Motor Slip Ring Commutators
PHENOLIC MOULDING COMPOUND FOR ELECTRONICS

Moulding Compounds for Electronic Equipment Parts

Telecommunication Equipment Parts

Heavy Duty Wheels

Insert Moulding Machine
PHENOLIC MOULDING COMPOUND FOR GENERAL

Pulleys

Grinding Disc Centres

Seals - Phenol Formaldehyde Moulding Powder
PHENOLIC MOULDING COMPOUND FOR TEXTILE

Textile Drums, Bobbins
(Textile Machine Parts)

Fiberglass Net

Bakelite Drums

Chemical Mixer
OTHER PRODUCTS:

Melamine Formaldehyde Moulding Powder

Phenol Aldehyde Unmodified Resin For Felt

Phenol Formaldehyde for Carbon Brush Holder

Abrasive Pads
OTHER PRODUCTS:

Electroplated Diamond Wheels

CBN Grinding Wheel

Abrasive Paper
