About Us

Amoeba hospitality is a labour of hospitality professionals who have come together to create a brand that will cater to the ever-growing tourism market in India. The brand aims to cater to the trust, service and quality for a tourist on Pan India basis. We plan to give a heavenly experience to our travellers at affordable rates across the country. The properties have been chosen and carefully designed keeping in mind the needs of a traveller. All the properties are at locations which are central and have access to motorable roads and connectivity with the major tourist spots of the location. The customer will be made to feel special and at home by our ever reliable hospitality staff. We are striving to give a resort feel to our properties so that along with adults, children can also enjoy the nature to its fullest. The customers can view the properties and do their bookings accordingly. We only deliver what we show and our properties will vouch for the same. The customers will have wide variety of booking partners both offline or online to conveniently do their bookings. Amoeba hospitality endeavours to spread its wings in the mid-market leisure segment of Indian tourism. It has initiated its journey by tying up with 3 properties in Pristine locations of Uttaranchal, viz. Rishikesh(Amoeba Stalwart Leisure Palace), Kanatal (amoeba 180 resort) and Almora(Amoeba River Retreat).
