About Us

A M R Shield Private Limited has proudly grown to be one of the leading security services company in India that is now counted in the most trusted and professionally managed names.

Together with the team of carefully selected, medically fit & experienced security professionals, we provide the best security services and professional security guards solutions to corporate offices, industrial units, individuals, government and semi- government entities.

Our customized security services include security officers, security guards, personal security officers, K9 squad, electronic security, and facility management services amongst others through which we strive to provide the best quality & cost effective security services, with high value given to quality, client safety and his satisfaction.

These highly uniformed, well-trained and suitably equipped security personnels are always geared up to safe guard assets, personnel or property against losses that may arise due to theft, intrusion, fire, pilferage, sabotage, and accidents.
