<https://www.indiamart.com/anasoptical/>

Anas Optical Co. is one of the eminent companies highly indulged in **trading and distributing** an impeccable array of Designer Frames and Metal Frame Spectacles.

About Us

Incepted in the year **1990**, **Anas Optical Co.** is one of the leading names highly immersed in **trading, supplying, wholesaling and distributing** an elite variety of **Designer Frames, Metal Frame Spectacles, Spectacle Frames, Designer Sunglasses, Designer Frame Spectacles and Contact Lenses**. These products are fabricated and designed by knowledgeable personnel employing high-grade material which is been sourced from specialized vendors of the market. With in-depth knowledge and vast industrial experience of this field, we are offering these products in modified as well as normal options. Before offering these products to our honored patrons, we test each product on predefined quality restrictions in order to offer quality examined array at patrons premises.

We have associated ourselves with an extensive vendor base to accomplish utmost patron satisfaction and meet the growing beliefs of the numerous industries. To assist us in accomplishing this, we bank on the support of a team of proficient and trained procuring agents, who exert continually to meet the necessities of our patrons with a quality, assured range. They conduct numerous surveys and market research and select vendors and manufacturers, reliable enough to be connected with. Vendors are usually selected on the basis of constraints such as past clients served, experience and financial status. Our association is competently managed by our mentor, **Mr. Mohammad Saleem**, who...
