## About Us

Our company 'Ankurindustries Corporation', an ISO 9001 is recognized as the leading manufacturer of Main Switches, Fuse Unit, Change Over, Distribution Boxes and other electrical goods in domestic and international markets. Since 1989, we are ruling the market with high quality products available at the most competitive prices. Our company was founded by Mahabir Pd. Jain who believed in winning the trust of clients by offering them best quality products with higher durability and efficient features. With this motive we have achieved grand success in today's highly competitive market. We have the capacity to manufacture any volume of products as per the demand of the clients and within the specified time period....
