About Us

Ankur Trading Company is a renowned business entity that came into being in the year **1984**. Our headquarter is located in **Dahisar East, Mumbai, Maharashtra**. The ownership type of our company is **sole proprietor** and we have become an **authorized wholesale distributor** and an **authorized dealer** of a comprehensive range of **Domestic Pump, Industrial Pump, Water Pumps, Submersible Water Pumps, Circulating Pump, Hydro Pneumatic System** and many others.

Manufactured by making use of supreme quality material and progressive tools and technology at our vendor's end, the offered range is in conformism with the norms and guidelines defined by the market. Our experts stringently examine the whole assortment on well-defined parameters, before supplying them into the market. Customers appreciate us for making quality and timely delivery of the products and maintaining transparency in business dealings.

With a motive to stand high on the visions of our patrons, we are indulged in providing range, which is in tandem with their exact requirements and the set guidelines defined by the industry. Besides, our company has grown remarkably in this challenging industry due to the endless support of our manager **Ankit Jain**. He enabled us growing and positioning distinct niche in the industry.
