About Us

Ann Impex - House of spices is located in God's Own Country, Kerala - and near to Cochin International Airport. Ann Impex is an exporter dealing in all kinds of spices and spice products viz. Nutmeg, Alleppy Turmeric, Dry ginger, Cardamom, Rice & all spice powders. Mr. Joseph Xavier, founder of **Ann Impex** hailed from a family of planters. **Ann Impex** has its own plantations in and around Kerala for different varieties of spices. We have tie ups and arrangements for collection centres to collect the crop directly from the farmers. **Ann Impex** has a 'state of the art' process house to handle spices and spices products at par with national and international standards without antifumigation treatment. Sabu Joseph is the whole time director who is presently at the helm of affairs and looks after the day - today operations. **Ann Impex** has a good clientele all over the world since they are in touch with the overseas market for last two decades. We had pleasurable experiences of visits by our clients to our plantations. They stayed with us to see and learn the farming and processing techniques. Most of our relations in the family circle are also planters and we are thorough about the quality and processing aspects of spices. Hence merchant exporters always prefer our products for its hallmark of quality. We have the facilities to supply exclusive organic spice products against orders, with guarantee for quality and delivery schedules. We welcome your...
