## About Us

Maneesh Gas Appliances which is headquartered in Bangalore, Karnataka, is one of India's premier Liquefied Petroleum Gas (LPG) Stove manufacturers. It is promoted by Managing Partners Mr. K. Chelladurai B.Sc., B.E., an ex-serviceman who served in the Indian Air Force and Mr. C. Kailesh Raja B.E., M. Sc. (Engg.)(UK).

Launched in March 1987 as Annai & Co., Manish Gas Appliances has grown by leaps and bounds and has established a dominant presence in the domestic market. The year 2001 proved to be a landmark year in the history of the company. Within 40 days of the announcement by the Government of Tamil Nadu regarding a special scheme to have new LPG connections, we exceeded our target by selling 278,000 LPG Stoves to our distributors across Tamil Nadu.

Today Maneesh Gas continues to uphold the legacy of providing high quality products to its customers at affordable rates. We have the necessary infrastructure to manufacture and deliver products across the length and breadth of the country. Important among them is a fully equipped manufacturing unit in Bangalore manned by a skilled workforce. We are backed by a thoroughly professional marketing team which efficiently handles the distribution of our products across the states of Tamil Nadu, Kerala and Karnataka.

Our reputation for promptly delivering quality products is such that our products are recommended by most LPG Distributors of Oil Companies as well as the Tamil Nadu Civil Supplies...
