## About Us

**A N S Naukri** is a Human Resources powerhouse with a focus on providing Executive Search, and Recruitment services to client organizations. Formed in 2007, **A N S Naukri** focuses towards mid to senior level assignments, delivering efficient, effective and professional solutions to our clients' recruitment needs. Recruitment is a complex, full-time process requiring insight, broad industry contacts and strong assessment skills. The ability to forge a unique match between your needs, the achievement record, and career goals of a candidate are paramount. **A N S Naukri** provides the most effective path to that match. We do have a huge team of Expert and Professional Recruiters, who work on our client's requirement and give them a Qualitative Employee. We are having vast database, professional portals & a huge online network reference in entire India. Our resources are well equipped on the technologies mentioned and we ensure that the productivity of our resources will be from day One.
