About Us

Apex Drug House is a privately owned pharmaceutical company, specialized in development, manufacturing and marketing of Branded Generics across the globe. Started in 1979 as a Trader and Importer for Bulk Drug and API's. Today **Apex Drug House** has diversified into manufacturing of pharmaceutical formulations and is at the forefront in developing and marketing of formulations for International markets. Apex is ISO 9001: 2008 certified and our products are manufactured in WHO GMP certified facilities where various forms of pharmaceuticals like Tablets, Capsules, Syrups, Ointments, Lozenges, Dry Powder Injections, Liquid Injections, Ophthalmic solutions, Medicated Soaps, Suppositories and Aerosols are manufactured. Recently we have introduced our Dermaceuticals range. Additionally Apex also manufactures Herbals, and specialty products like Mosquito Repellents and Condoms. We focus on providing quality products and continually invest our time and resources in the quest to achieve higher levels of quality products and earned reputation from our clients. With the know-how and the capacity of our plants we are close to our customers in important markets. We provide a worldwide supply chain, making sure that products will be available when and where they are needed. Our strong portfolio of products gives us an edge in an increasingly competitive global market and allows us to provide affordable medication to...
