Apex Enterprises

<https://www.indiamart.com/apex-entps-gurgaon/>

We are service provider of management security service, placement-recruitment service, horticulture etc.

About Us

we take this opportunity to introduce apex enterprises. With our many years of experience and extensive domain knowledge in security services, house keeping, labour contract, and placement services.

on turnkey basis our group is quite capable to providing all sorts of management consultancy in any kind of industry. We operate in the premium market segment with a multi location client base from sector like information technology, banking, telecom manufacturing etc. Handling office buildings, industrial centre, farm houses and warehouses.

our strength lies in management consultancy. In these days businesses are becoming more and more focused with companies concentration on their core compliances in apex enterprises, taking care of all peripheral requirement and support functions.
